Mike-

My conference call just got cancelled because the DC offices are closed due to ice and snow. That means I am available at 10:00 pacific (12:00 central) to talk about Clean Harbors.

Let me know if this still works.

Thanks.

Hi Chris,

Marty mentioned that you had some questions about the Site data and suggested that the two of us get on the phone to go through things. Would tomorrow at 10 AM Pacific time work for you? If not, please respond with an alternate time. I'm available pretty much all day.

Thanks,

Mike Stephenson
